

22578VIC- Course in First Aid Management of Anaphylaxis

INC: VU23090 Provide first aid management of anaphylaxis &

VU23091 Develop risk minimisation and risk management strategies for anaphylaxis

The Ministerial Order 706 Anaphylaxis Management in Schools sets out clearly what steps schools must, at a minimum, take to ensure the safety of students at risk of anaphylaxis in their care.

The approved provider of a service must ensure that at all times that while children are being educated and cared for by the service, at least one educator must hold a current approved first aid qualification and have undertaken current approved anaphylaxis management training. Asthma management training is required as of 1 January 2013.

Course Content

- Confirm an allergic reaction and respond to the situation
- Provide appropriate first aid response for allergic reactions, including anaphylaxis
- Request assistance and communicate details of the incident
- Evaluate response to the anaphylaxis emergency incident
- Causes and recognition of Anaphylaxis
